

ES900 UPRIGHT BIKE

Go the distance in comfort on TRUE's ES900 Upright Bike. Ergonomic aero bars and armrests provide maximum body control, power and stability. Maximize your workout while minimizing your equipment footprint. Choose the T9 - 9" touchscreen console to shift your experience into high gear – store up to six different workouts for up to six different users! It also features the latest in fitness technology and connectivity to revolutionize the user experience to easily track and manage their workouts through the GymTrakr app. The ES900's sleek design and low step-over height are designed for those seeking a realistic cycling experience. The fore and aft seat adjustment offers a wide range of customizing.

GymTrakr App
Connectivity and Tracking
