

950 TREADMILL

The TRUE Fitness 950 treadmill offers a customizable experience and one of the most comfortable running surfaces in the industry. TRUE Soft System® with Orthopedic Belt provides ultimate impact reduction on joints and knees while the TRUE Soft Select® adjustable deck cushioning provides varying levels of soft to firm to fit every user's preference.

With multiple consoles to choose from, the 950 treadmill provides several options for high-quality technology and performance, including Apple Tap to Pair on compatible consoles. The 9" Envision touchscreen provides a variety of built-in workout programs via a vivid full-color screen. Or users can upgrade to the ShowRunner for integrated TV and mirroring technology to mirror content like shows or workouts. For an enhanced fitness and technology experience, pair the 950 with the Envision 16 touchscreen for additional entertainment options like TV, streaming video, numerous workout programs and internet connectivity.
