

# TRUE® Performance 3000 Treadmill

Smooth Quality. Steadfast Durability.

## Meet the TRUE Performance 3000 Treadmill

The **TRUE Performance 3000 Treadmill** is a treadmill suited for users of all fitness levels. The Performance 3000 combines smooth, quiet quality with steadfast durability. The data feedback and challenging programs motivate any user to work towards their health and fitness solutions.

### Your Fitness Experience

Constructed with commercial-grade materials and premium components, so each piece of equipment feels and functions like a commercial machine.

### Your Body Will Thank You

The TRUE Soft System® and Orthopedic Belt offers the highest level of impact reduction on joints and knees.

### Maximize Your Workouts

TRUE HRC allows you to enter your target heartrate for maximum results. Our one touch TRUE HRC Heart Rate Cruise Control™ allows you to use HR at anytime in your workout and will adjust speed and incline automatically once you hit your target HR.
